

Admin Login

Alert when successfully login:

Interface:

The header page contains the total balance that we have and then income and expenses we made in a day or month.

The transactions we made are shown below.

In the name column, you can specify what kind of expenses we've made and the income we've gotten.

You can identify when the income and expenses are made by selecting the date.

When you submit the updates you've made are shown above in the transactions column.
